DATE : FEBRUARY 17, 2004.

ORAL JUDGMENT : (Per MHATRE, J.

This writ petition has been filed by the law students. The contention raised in this petition is that the respondent Konkan Railway Corporation has not provided proper amenities and infrastructure at the

Karmli Railway Station. Learned Advocate for the respondent Konkan Railway Station states that a new platform and pathways which are provided are of requisite height and it will not cause any inconvenience to the passengers.

2. As regards the building of foot-over bridges connecting one platform to the other, this is under active consideration of the Railways. In view of this statement of the learned Counsel, nothing survives in the petition. The petition is disposed of accordingly.
